

The WFP Edge

Buying a home can be one of the most exciting and important purchases one makes in a lifetime. We are here to professionally guide you through the process, and our web site is a great place to start. Let us help you find a home or a neighborhood, learn about schools, find an agent and even learn how to consolidate your monthly mortgage payments.

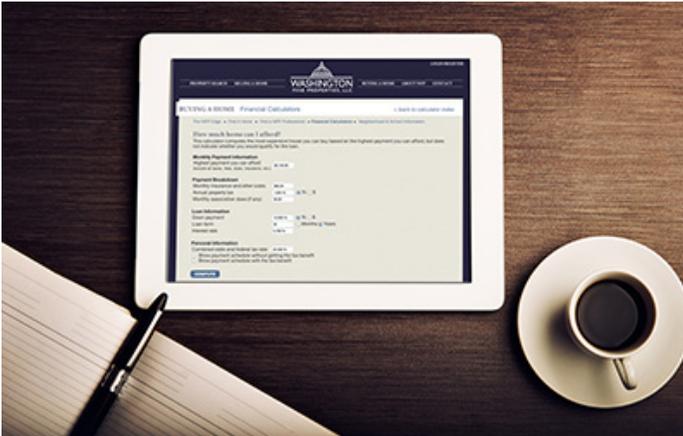

FIND A HOME

Get ready to have some fun and to cover some ground! You won't find our state-of-the-art map search technology with all of its features anywhere else. You'll find yourself moving with ease between neighborhoods, literally "walking" up and down streets with 360° panoramas, selecting "virtual tours" on those homes that interest you the most. It's a whole new way to create a list of homes you'll want to see with one of our agents that's both fun and efficient. Don't miss our Private Placement offerings, too!

FIND AN AGENT

Working with an experienced agent can save you time, money, and, most importantly, leverage your chances of finding that perfect home. Our agents know the market and are skilled at negotiating the best possible price, terms and conditions to secure your new home. Review our list of outstanding agents.
